

9. January 2008

PROJEKT-HOTLINE

AUSSCHREIBUNGEN / TENDERS:

1. **Egypt:** Completion of the construction of tile drainage networks
Completion of the construction of subsurface (tile) drainage networks in the catchment area of Zaghloul to the zone serving 1,150 feddans. **CD: 10 February 2008**
2. **Iran:** Carrying out a railway electrification project
Carrying out electrification works on an engineering, procurement and construction basis, on the existing Tehran-Mashhad double-track railway route, and supply of necessary electrical locomotives. **CD: 19 February 2008**
3. **Iran:** Construction of a wastewater collection system
Construction of the Rasht wastewater collection system subzone Y1 project as part of the northern cities water supply and sanitation project for the Guilan Water & Wastewater Company. **CD: 6 February 2008**
4. **Iraq:** Construction of a gas turbine power plant
Construction, on a turnkey basis, of the Al-Diwania gas turbine power plant project, operating on three types of fuel – natural gas, gas oil and crude oil. The plant will have two units, each with a capacity of 120-150 MW. The project should be implemented within 22 months. **CD: 20 January 2008**
5. **Kuwait:** Construction and maintenance of a health centre
Construction, completion and maintenance of health centre (model 12) at the Al-Aqeela area, for the Public Works Ministry. Open to prequalified contractors only. **CD: 30 January 2008**
6. **Kuwait:** Supply and operation of uninterrupted power supply units
Supply, installation and operation of six 120-kVA uninterrupted power supply units at an Information Ministry Complex building. A pre-bid meeting will be held on 15 January. **CD: 13 February 2008**
7. **Kuwait:** Operation and maintenance of cranes
Operation and maintenance of overhead cranes and platform cranes at Kuwait Ports Authority's Shuaiba Port. **CD: 30 January 2008**
8. **Morocco:** Provision of fuel transportation services
Provision of unloading, truck loading and transport of 500,000 tonnes of steam coal or petroleum coke, from the port of Nador to the Jerada power station, from 1 April 2008 to 31 March 2009. **CD: 23 January 2008**
9. **Morocco:** Implementation of a sanitary drainage network
Carrying out lot 1 comprising the implementation of a sanitary drainage network as part of a water treatment plant project in Bouizakarne in the south. A site visit will take place on 17 January. **CD: 5 February 2008**
10. **Morocco:** Carrying out electricity transmission line and power station works
Carrying out works at the 60/22-kV Mejjat power station, 60-kV works at the 225/60/22-kV Chichaoua power station and construction of the 60-kV Chichaoua-Mejjat electricity transmission line. **CD: 6 February 2008**
11. **Oman:** Supply and delivery of fuel gas oil to desalination plants
Supply and delivery of fuel gas oil to desalination plants at the Al-Sharqiya, Al-Dikhaliya, Al-Wusta and Musandam regions and in Muscat governorate for the Public Authority for Electricity & Water. Details are available until 6 February. **CD: 18 February 2008**
12. **Oman:** Development of an airport
Development of the Ras al-Hadd airport for the Transport & Communications Ministry. Details are available until 23 January. **CD: 11 February 2008**
13. **Oman:** Carrying out intelligent pigging works
Carrying out intelligent pigging works at Oman Gas Company pipelines. Details are available until 23 January. **CD: 11 February 2008**
14. **Qatar:** Carrying out upgrade works to football and cricket stadiums
Engineering, procurement, installation and commissioning of football and cricket stadium upgrade works within the Dukhan fields. The scope of works includes detailed designs, documentation, materials, procurement, supply, fabrication, inspection, demolition, installation, painting, commissioning and performance testing of the new equipment. **CD: 27 January 2008**
15. **Qatar:** Operation and maintenance of wastewater treatment plants
Operation and maintenance of wastewater treatment plants at the Ras Laffan industrial city. **CD: 17 February 2008**
16. **Qatar:** Supply of water distribution networks
Carrying out a three-year, call-off gapping contract for the supply and laying of water distribution networks and service connections. Details are available until 17 January. **CD: 21 February 2008**
17. **Saudi Arabia:** Carrying out operation and maintenance of a wastewater treatment plant
Repair, operation and maintenance of a wastewater treatment plant at an air defence camp. **CD: 27 January 2008**
18. **Syria:** Supply of 24,000 tonnes of rails
Supply of 24,000 tonnes of rails for Syrian Railways. **CD: 21 February 2008**
19. **UAE:** Supply of power cables for substations
Supply, installation, testing and commissioning of 132-kV cables for seven 132/11-kV substations and three 400/132-kV substations, and carrying out associated modification works. **CD: 22 January 2008**
20. **Yemen:** Installation of an electricity distribution network
Installation, in the following six lots, of an electricity distribution network as part of a power sector project. **CD: 30 January 2008**
