Hermes-Exportkreditgarantien SAUDI-ARABIEN

Aufgrund der sehr günstigen wirtschaftlichen Entwicklung Saudi-Arabiens bei zugleich guten Zahlungserfahrungen übernimmt der Ausschuss künftig Exportkreditgarantien ohne formelle Beschränkungen. Die Wirtschaft Saudi Arabiens präsentiert sich aufgrund des großen Ölreichtums und des anhaltend hohen Ölpreisniveaus nach wie vor in sehr guter Verfassung. Die positiven makroökonomischen Daten signalisieren eine solide Kreditwürdigkeit, die sich in der guten Entgeltkategorie widerspiegelt. Allerdings sind strukturelle Reformen und eine Diversifizierung der Wirtschaft nötig, um die starke Abhängigkeit vom Öl langfristig zu verringern. (Information des AGA-Reports Nr. 168)

Verdopplung der Exporte von technologischen Dienstleistungen nach IRAK

Die Iranisch-Irakische Handelskammer gab bekannt, dass sich der Export technologischer Dienstleistungen nach Irak im laufenden iranischen Jahr (bis 20.03.2009) verdoppeln werde. Im vergangenen Jahr (2007/08) wurden technologische Dienstleistungen im Wert von 224 Mio. USD nach Irak exportiert, hiervon allein 157 Mio. USD für den Bau eines Stromkraftwerks im Stadtbezirk Al-Sadr in Bagdad.

PROJEKT-HOTLINE

AUSSCHREIBUNGEN / TENDERS

1. **Iran:** Provision of design, build and operate (DBO) services for a water treatment plant
Provision of design, build and operate (DBO) services for the Ahwaz water treatment plant no. 2 as part of the Ahwaz and Shiraz water supply and sanitation project. **CD: 16 September 2008**
2. **Iran:** Construction of a total of 3,000MW of gas turbine power plants convertible to combined-cycle power plants
The successful bidder will finance, engineer, procure and construct seven gas-fired power plants, convertible to combined-cycle power plants, at Zanjan, Hormozgan, Mahshahr, Semnan, Islam-Abade Gharb, Oromiyeh and Iranshahr. **CD: 18 September 2008**
3. **Iraq:** Supply of equipment for the rehabilitation of emergency hydropower plants
Supply of control, protection and monitoring equipment for the rehabilitation of the Derbandikhan and Dokan emergency hydropower plants. **CD: 13 October 2008**
4. **Iraq:** Supply of line pipe for an oil field
Supply of 4, 6, 12, 14 and 16-inch seamless line pipe with heat-shrinkable sleeves and crossing materials for the West Qurna oil field (DS/6). **CD: 21 September 2008**
5. **Kuwait:** Design, supply and installation of an air traffic management system for an international airport
Design, supply, installation, commissioning, provision of training for maintenance support, and warranty of the air traffic management system at Kuwait International Airport. **CD: 9 September 2008**
6. **Kuwait:** Supply of overhead line joints for electricity transmission networks
Supply of overhead line joints for electricity transmission networks for the Electricity & Water Ministry. **CD: 21 September 2008**
7. **Oman:** Design and construction of headquarters building at Al-Ansab
Design and construction of headquarters building at Al-Ansab for Oman Wastewater Services Company. **CD: 6 October 2008**
8. **Qatar:** Provision of EPIC services for the upgrade of interconnects and overhead lines
Provision of engineering, procurement, installation and commissioning (EPIC) services for the upgrade of 33-kV Fahahil interconnects – FIC 1, 2 and 3 – and for the upgrade and replacement of 33-kV overhead lines. **CD: 7 September 2008**
9. **Qatar:** Construction of a new training centre
Construction of a new high-quality training centre at Mesaieed to meet the training requirements of various industries and technologies. **CD: 28 September 2008**
10. **Saudi-Arabia:** Construction of housing for doctors
Construction of Royal Commission doctors' housing, phase 1. **CD: 14 October 2008**
11. **Syria:** Construction and operation of a 66/20-kV substation in a railway coach repair centre
Construction and operation of a 66/20-kV substation in a railway coach repair centre in Gebrin and carrying out civil and electrical works. **CD: 22 September 2008**
12. **Tunisia:** Carrying out road intersection works
Carrying out road intersection works as part of a road network development project. **CD: 20 September 2008**
13. **UAE:** Design, build, operate and transfer of multi-storey car parking
Design, build, operate and transfer of multi-storey car parking. **CD: 11 September 2008**
14. **UAE:** Construction of warehouses
Construction of warehouses and associated facilities at Warsan. **CD: 18 September 2008**
