What will be the impact and challenges of the global financial crisis on the economies of the Middle Eastern countries in 2009? Are the different projections issued by the IMF and the World Bank correct, and what does this imply for German exporters? NUMOV / German Near and Middle East Association offers this discussion-forum for the German business community and decision makers from the region.

The participation for NUMOV-Members is free of charge, non-members € 195.- plus VAT per person.
