NUMOV-Near and Middle East Annual Economic Conference

on the occasion of the 75. Anniversary celebration
of NUMOV/German Near and Middle East Association

Time: May 29th, 2009 – 01.00 - 04.30 pm

Followed by NUMOV`s 75th anniversary Gala Event 06.00 – 10.00 pm

(On special invitation only)

The Near and Middle East is becoming one of the most important regions for the future. Accordingly, the business opportunities available to German companies for their products and services are manifold. The NUMOV-Near and Middle East Annual Economic Conference will take place on 29th May, 2009, 01.00 – 04.30 pm in Berlin and offers an excellent opportunity for the German business community to get first-hand information from German Ministries and Ambassadors of the Near and Middle East Countries in Berlin.

The participation for NUMOV-Members for the conference and for the Gala Event is free of charge. Charges for non-members are 195,-- Euro plus VAT. Please register as quick as possible, registration in incoming order. For lack of space we will prefer NUMOV-members when applying. The conference language is English. The detailed programme will be sent out together with the participation confirmation. For hotel-booking please refer to www.hrs.de.

Additionally, NUMOV would like to offer your company the possibility to promote your company to this event with an own stand. For further information please contact us.
